

THANKS FOR PRAYING: For **SCHOOL OUTREACHES** during July ...

In Buddhist schools - Noi, Bow and Art lead a game, and a teacher gets photos for the school. God can and does speak in any and every situation.

THANKS TOO FOR PRAYING for the **World Outreach 80th Celebration:** From some Team members ...

NoiNon: I was impressed and challenged as I saw the sacrifice and God's blessing in the lives of those who've given so many years of their lives to missions. God spoke to me to let Him bring out all He's given me.

Doi: I'd been worried at the idea of having more in our Team. But God told us He wants our Team to expand and He'll provide all we need. I saw the need for us to train young people to help them also start serving God.

Dang: I was amazed when God spoke a personal word to me there. After my parents divorced I was put with other relatives. I hadn't been able to find my parents since. A woman from Sth Africa said, "Don't worry about your family. God is taking care of each one. Give your worries to God. He has called you so keep serving Him."

Ganya: I was impressed to see all who've served God for many years still so alive in God and eager to learn from Him. I received new strength through the worship there.

Art: God helped me start talking to people who don't speak Thai because everyone there felt like family. Then God said to me, "I know all your pain. I know what has happened." I'd thought no one could understand those awful things. When God spoke, somehow the pain went and He took away the hardness I'd put up in my heart.

AUGUST 1ST TO 10TH

Correspondence Lessons: Always good to see young people grow in their understanding of God and in their relationship with Him. Please pray for each child to learn to relate to God in a personal way.

Loji, a boy of 14: I was worried about a big exam. I asked Jesus, "please help me pass so I can move on to Grade 8". In the exam room I prayed again. Thank you Jesus - I passed.

Chidsarud, a boy of 15: Whenever your letters or lessons come I feel comforted and also joyful. I want you to know that your lessons helped me know Jesus. One night God made me feel that I want to be someone who tells the gospel, and be like a servant of God. I feel like I've found true happiness.

Ladda, a girl of 16: I asked God to guide me about further study as I want to grow in faith and bless others

Team News:

Valerie: This news is late getting to you because I'm in NZ all month to help with my mother's care, and she was very sick in hospital for a few days - though then recovered amazingly thanks to prayer. My contact number while here is 021-136-1523.

New Booklet: Our big prayer need - as we want to get most of this booklet done this month. This year some of the experienced 'writers' aren't able to help. So more new Team members are involved. Pray for God's anointing and inspiration for each one.

AUGUST 11TH TO 17TH

Correspondence Lessons: These four girls aged 13 had very different needs and comments. Please pray for them and all the children they represent, and for God to help them respond fully to all He is teaching them. Pray too for Team members as they answer such a variety of letters.

Thadsaneeya: My father drinks a lot and hits my mother. I wanted to run away but I feel for my mother. I asked God to help my father stop drinking and fighting. I'm waiting and I trust God to do this because He always helps whenever I've asked Him. Thank you for giving me the chance to say this.

Gayeng: I used to think Jesus loves only Christians. But now I know Jesus loves us all.

Thipwaree: I'm glad Jesus loves someone like me. Recently I had the flu and high fever.. I asked Jesus to help me and next day the fever was gone.

Areeya: How do I feel now I know I'm special to God? The happiest I ever have in my life.

Children reached in July school outreaches:

In every school we saw God speaking to children as they listened so intently to the story of Jesus and all He's done for them. As you pray, the seed of God's word in them is watered and grows. Pray with us for many to begin seeking Jesus.

AUGUST 18TH TO 24TH

Yearly Cartoon Booklet – As you know, we're always challenged by this booklet's potential to reach at least a million children. For many thousands of them this booklet may be the only way they will learn anything about Jesus. May God help us to present His truth in a way that catches the children's interest and gives them a desire to know the Lord. Please keep praying for all on the Team as each one (plus Faith) is involved in some way in preparing articles, puzzles, etc for this booklet.

Correspondence Lessons: Please pray regularly for each child doing these lessons and for God's Spirit to teach and guide them into His ways. These 2 girls shared what God has been teaching them. **Jinda (15):** Thank you for your good advice. The lessons help me know Jesus' love more, and I have God as my guide each day. I'm very happy I'm learning with you.

Pranee (14): One day, I lost my money. I prayed and someone found it and gave it back. That amazed me.

New team members – please pray for Corin (mid-20's) who may join us for a 3 month internship. Also, please keep praying for God to lead us to the right people He is preparing to join the Team.

AUGUST 25TH TO 31ST

Children's Response to the Lessons: Most children write to us after the lesson on Jesus' crucifixion and resurrection. May God give each child a personal experience of His love as they study this lesson.

Reactions received in July from two boys of 11, and a girl of 15 ...

Peerapol: I feel that Jesus has so much grace. I wanted to cry because of Jesus' sacrifice on the cross for us to pay for our sins.

Prapakorn: I feel sorry that Jesus had to die for our sins. But I am so happy that He loves and cares for us.

Sriprai: I feel we are very fortunate because no one but Jesus could die for our sins. Jesus did nothing wrong but He died for us so that we can have His life and be with Him always.

New Cartoon Booklet – Thanks for praying for God to guide and bless us in preparing each page of this booklet. We know your prayers can help to make this booklet a powerful tool of God's Spirit. Please pray too for each child who will read it.
