July 1- 7

4th: School Outreaches in Nonthaburi

- with extra time for English teaching that will be given by a Team from Citywest Church, Sydney.

5th: School Outreaches in Panat Nikom

- in Cholburi province & also with English teaching.

Please pray with us for these 2 days in schools – for God to bless and speak through all who participate from both teams- for God to speak to each child through all they hear and give them a hunger to know the One we're speaking about.

Changes in Children's Lives: We do thank God for all He does in the life of each child doing our lessons. Please continue to pray for them, and for their faith to grow as they learn more about Him.

Sukhum, boy of 9: *I used to bully the younger ones in my family and taunt them. But I've stopped doing that now as in the lessons I learnt that Jesus loves everyone and wants us to do good to others.*

Bancha, boy of 16: *Before I couldn't read or write. It was very embarrassing. Now, I am very thankful to God, because His word helped me learn to read and write*

Laddawaan: *Others would always look down on me - they would say that I am not good in my studies, but God has always helped me so I can do my studies.*

Wanna, girl of 12: *It makes me very happy to have God always by my side and always taking care of me. Even though I don't have a mother and father, I feel warmth in my heart again since I've known God is with me.*

July 8-14

9-12th: English Camps / School Programs

- In Sa Kaeo (Aranyaprathet), with the Sydney Team and our Team working together. Each day 3 schools will bring students together (aged from 11 to 15) for an 'English Camp'. Not really a camp, but lots of English teaching as well as teaching about Jesus. Please pray for both teams – for God's strength, guidance and anointing in all that is said and done. Pray too for each child at the 'Camps'. Please also for the travel to and from Sa Kaeo and for God's protection for each team member.

- Some of the Team will stay at our Team base to keep up with work on the lessons. Please pray for them, and keep praying for each child. Some write very short notes, but we see God making Himself real to them. Pray for each one to grow in their faith

Rungthip, girl of 11: *I believe God can help us always.*

Suchada, girl of 11: *I feel sure now that God loves me, and I want to make Him happy.*

Nuttapol, boy of 11: *I feel happy to know we are important, and I enjoy your lessons very much.*

Kamonwan, girl of 10: *I am both glad and happy that God considers me special.*

Yuthasart, boy of 7: *Now I know we've been saved from all sins I want everyone to have that. I also am learning more about who Jesus is.*

Nareekarn, girl of 10: *It makes me very happy to know that God loves me.*

Thanks for praying...

For school outreaches last month

We worked with a church in Panat Nikom for the first time. Children in those schools were very responsive to the Lord. In July we will go with this church to more schools.

For our work on the New Booklet: We are making progress – slowly. Every Team member is involved and for some it's their first time to do such writing or drawing. Please keep praying for God's anointing on each one, and for God to guide us as to what other stories we should use so He can bring children to Himself through this Booklet.

July 15-21

For the Team: It's been a busy two weeks, and we're coming back to other work which has been on hold. We also want to have time to be refreshed again in God. Please pray for God to strengthen and bless each Team member.

Children reached in Schools this month:

Please pray for each child who heard about Jesus over the last 2 weeks, and especially for those who want to do our lessons but can't get permission to do so. Pray the seed planted will be kept alive, and pray for God to do miracles in their situations so that all can begin to learn about Him.

Learning about Relationships in the Lessons

Vipavadee: *My friend and I always argued. So I asked Jesus for help. Now we understand each other again.*

Duangjai, girl of 12: *I got into arguments with a friend at school. Then she wouldn't speak to me. I was sad and didn't know what to do. One day, I prayed and asked Jesus to help me and to help my friend. Not long after, she came to apologise and we're friends again.*

Supatra: *I often had problems with my father, so I prayed about that. Now we get on much better together.*

New Booklet: This week we want to complete more pages if we can. We are aware always of the enormous potential of this booklet to reach over a million children and know for many it may be their only opportunity to learn about Jesus. A challenge! Please pray for each one of us as we work on this booklet- that every page will be inspired by God..

A Team meeting - sharing our articles for the Booklet

July 22-31

Children reached in schools this month

Please continue to pray for children in PanatNikom. This is a vital time for many as they decide whether or not to start learning more about Jesus.

At a PanatNikom School, with Pastor and church members there

New Booklet

Please keep praying for all of us as we work on this Booklet. We know we need it be saturated in prayer!

Correspondence Lessons

After the lessons explaining about sin and how it was necessary for Jesus to die a lot of children respond – some in similar ways. But all are inter-acting with what they learn which is a real answer to prayer. Thanks for your part in their response.

Kulvara, girl of 12: *I feel so happy to know I'm chosen by God to follow Him. Every time I do a lesson I get excited, because they have fun stories which also challenge me. I know now that Jesus gave his life to free everyone from sin and God wants to keep us from doing bad things.*

Bunpitak, boy of 14: *I feel sorry for Jesus. He didn't do anything wrong, but he still died to pay for our sins.*

Korawan, boy of 8: *I know I did wrong, but since I've known Jesus, I stopped doing those things. I am very glad Jesus took away all sins, and happy that I am clean now.*

Valvalee, girl of 13: *What I have learnt from the lessons – they are fun to do, and I have better thoughts now. What I know is I am a sinner but I know too that Jesus paid for the sins of everyone, and also for me.*

Paradorn, boy of 13: *I think that Jesus loves me and everyone in this world, and he paid for our sins. Thank you everyone in the Team for sending me these good lessons.*

Suwapitch, boy of 11: *I feel sorry for Jesus, because he didn't do anything wrong, but still he was put to death.*
