## NOVEMBER 1-8

### LETTERS VIA CORIN & GANYA:

**GANYA:** - Last month many children wrote to join our correspondence club. In the group of children I look after there was one girl who told her friends about our lessons. They began doing them. Then they told their friends, and the result ...

**About 200 children just from 1 school** all began our lessons last month. Please pray for them, Pray too for this girl whose letter below stirred my heart.

**Wilaiwan (14):** *Before I knew God I never won over any of my problems. But now I can overcome the problems because Jesus be in my heart.*

**CORIN:** I'm burdened for **Pongpol**. He's 16 and he wrote: *Can you pray for my dad. He was arrested for selling drugs and now he's in jail. Pray he will come to be Christian. Thank you.*

Please pray with us as we each write to so many hundreds of children in a month. May God guide us and write through us to each child.

### AS THE NEW BOOKLETS START TO GO OUT ...

Please pray for each child who receives one - for God to make His word real to each one of them and give them a certainty that God can be trusted.

## NOVEMBER 9-15

### 11TH-15TH: SCHOOL OUTREACHES IN UDONTHANI

Your prayers do make a huge difference in what we see happening in these school outreaches. Thanks for praying with us. We'll teach in at least 10 schools - in an area where there' are very few Christians.

Each Team member asks you to pray for God's anointing on all they say and do, for His strength and protection. Doi can't go to Udon so we need a Thai volunteer or intern who is free to take her place. Please pray for this need too.

**ALSO:** Please pray each child may respond to all they hear and may have a desire to know Jesus.

**CHILDREN'S LETTERS VIA DANG:** Please pray for me and for all the children I write to - all so different. I do praise God for what He is doing in their lives.

**Boonpipob (11):** *I like every lesson. I believe God is real and He really can help us to have success.*

**Sasimai (16):** *I have been asking God, "please help me understand and have wisdom in studying at school". And I have seen God answer me. I invited 13 friends to join our Correspondence Club. Now they're excited in waiting for your lessons, and very glad they can learn about Jesus.*

### Thanks for praying... For the Youth Camp:

Fun times together and serious thinking too as all at Camp were challenged to commit their lives to Jesus. Please keep praying for each one. Some went back to hard situations.

### And... Thanks for praying for the printing of our New Booklet:

Now that the proofs have been checked we should receive the first copies of this booklet by mid November. Already there are many other Christian groups and Churches wanting to distribute these.

Please pray for Doi as she arranges all the distribution, and pray too for God to use each booklet to speak to all the children, and others in their family, who read it.

## NOVEMBER 16-22

**FROM NOI/NON:** Greetings to you and thanks for your prayers and for being our partners.

**First thing** – I thank God a lot for His great help to me so we could finish our latest Booklet.

**Second** – Please pray for our Susu teaching leaflet which I send out. In October it went to 1,593 young people who've finished all our lessons but they want more teaching. I pray these 1,593 all receive help from Susu, so they can trust in God's word and grow in their faith.

**Third** - I have a vision we can have some two week training courses next year - for maybe 10 or 20 Thai Christians who want to learn how to do children's ministry as we do. Please pray for God to lead us about this vision, and that He will begin to provide all we need for this to happen.

### PRAY FOR UDONTHANI CHILDREN:

For most of those we taught last week that was the first time they'd heard about God and His love for them. Now, as they think back to what they heard, please pray they for God to continue to speak to each one and draw them to Himself. May many of these children begin to seek Jesus.

**LETTERS VIA JEEN:** From Jeen: Many of our children are looking for someone to care about them. Pray we can build relationships with them to help them feel loved and grow closer to Jesus.

**Reungrong (12):** *I'm very happy to learn all these stories about God. What I have learnt is that all of us have done wrong, and that means we all need to repent, and that is me too.*

**Suwannee (13):** *Jesus is the one who sacrificed and was willing to give his life. The sin he died for was not his own. It was the sin of us all. At times I feel sad when I think how Jesus suffered. And I am amazed too. I could never do a thing like that.*

## NOVEMBER 23-30

### REVISING LESSONS:

An ongoing job - last month the Team divided into 2 groups to do this - with Doi, Ganya, Jeen, Fon and Corin revising the lesson content, and Noi and Dang redoing the artwork. Lesson 1/1 was completed. This month we're working on Lesson 3/6.

Please pray for God to guide in this and for His wisdom and anointing for every part of this lesson.

**CHILDREN'S LETTERS VIA DOI:** From Doi: Each child responds differently but I'm so blessed by their letters. I hope you are too. Please pray for children who are persecuted when they want to follow Jesus. Some of them know no other Christians apart from us in the Team. May Jesus strengthen them

Please pray for these children below and all the other children who are learning with us. Thank you.

**Ploynicha (8):** *I'd like Jesus to give me His life that is forever, and I'd like my parents to receive that also.*

**Kanokwan (9):** *I'm so glad that Jesus died for our sins and I'd like everyone to know about Jesus too.*

**Sukhum (10):** *I feel God loves us so much. He gave Jesus to come and help us. He died to redeem us. I believe God is real and I'll love and honour only Him.*

**Jirapong (13):** *I'm grateful Jesus sacrificed his life for us. I respect & honour Him above all. I'd like Jesus to help me be a good person & I want to believe in Him.*

**Pawida (10):** *I am very grateful that Jesus died on the cross to save us all.*

**Tirada (13):** *I didn't write for a long time, so glad to hear from you and happy Jesus still loves me. I don't know why I feel very excited when I get a lesson from you but I know I want to keep learning with you.*

**Yupin (12):** *In my family, no one is Christian except me. I'd like them to know God like I do but I don't know how to do or say. Please pray for me.*

**Karnthida (10):** *I love Jesus very much. He sacrificed His life for us all and He was punished for our sins. I'd never heard of this before and it touches my heart.*
